

Dear WMU Director, Missions Leader or Pastor,

Please insert in your church bulletin and display attached poster on your bulletin board.

Quilt Camp

July 20-24th from 1-4 PM

Bedford Baptist Church

\$20 per registered participant—Space is LIMITED so register early—registration ends July 13th.

We are currently preparing for the annual Quilt camp being held at Bedford Baptist Church. We are excited to announce that three different classes will be offered this year!

- **Beginner's Class** - Anyone ages 8 & up who have not attended this camp previously (must be 8 by July 20th).
- **Intermediate Class** - Anyone who has attended at least 1 year of this camp.
- **Advanced Class** - Must be at least 11 years old with experience in making clothing/quilts/crafts on a sewing machine. Must bring your own sewing machine that you have working knowledge of and used at home. A supply list will be sent upon registration. Students must bring fabrics from list and will need to have fabrics pre-washed and pressed as well as 2 or more bobbins threaded and 2 spools of coordinating thread (matching fabric). This group will also need to arrive at Noon on the first day and may need to arrive at Noon each day (will be discussed closer to the event).

All participants need to bring a sewing box with basic supplies:

- | | | |
|--------------------------------|-----------------------------------|---------------|
| SMALL SCISSORS (to cut thread) | SEWING SCISSORS (for fabric only) | STRAIGHT PINS |
| MARKING PENCILS (for sewing) | PIN CUSHION (any type) | SEAM RIPPER |
| MEASURING TAPE | 6 INCH RULER with seam guide | |

Most of these supplies can be purchases in a kit for under \$15 at Walmart, JoAnn Fabrics, Michaels, AC Moore, Target, etc. Many have coupons available online or in the Sunday paper to help offset costs. Sewing box can be any container with a secure lid.

Thank you, The Quilt Camp Committee
