

**Who will be getting carts?**

To start off all of Monday and Tuesday's route will be getting carts. If there are any additional carts left after that, we will start to work on part of Wednesday's route. The rest will be in next year's budget. That is, the remainder of Wednesday, Thursday and Friday's routes will get their carts around this time next year.

**When will the new trash carts be delivered?**

Public Works will be delivering carts during the next several weeks. We hope to have all carts delivered by September 30<sup>th</sup> 2015.

**How large are the trash carts?**

The new trash carts are 95-gallons and hold the equivalent of three standard garbage cans.

**Are smaller cart sizes available?**

All eligible households will receive a 95-gallon cart upon initial delivery. We ask residents to try the 95-gallon trash cart for a minimum of 30 days. At the end of the 30-day period, if you believe the trash cart is too large for your household, then we will provide you with a smaller, 65-gallon cart. Please keep in mind, all trash must be placed inside the cart. Also we only have a limited number of smaller carts and it will be on a first come first served basis.

**How can I dispose of large items?**

Residents may dispose of large items in two ways. Town residents may use the Town of Bedford Landfill at 856 Orange St. during normal operating hours or the Bedford County Landfill on VA Route 43 South on Recycle Road, seven miles south of The Town of Bedford.

**My trash cart was stolen. What should I do?**

If your trash cart is stolen, call The Town of Bedford at 540-587-6081 for instructions on reporting the stolen cart and ordering a new one. Once a police report is filed, the cart will be replaced at no cost to the homeowner.

**I am moving. Can I take my trash cart with me?**

No. Each trash cart is assigned to a residence with a serial number and must remain at the address where it was delivered. If you move, you must leave the trash cart behind.

If you have additional questions regarding the new curbside garbage collection program, please contact the Department of Public Works at [pubwks@bedfordva.gov](mailto:pubwks@bedfordva.gov) .

1,100 New Carts  
Ready to be  
assembled and  
deployed! This will  
take several weeks.
