SPECIAL TERMS AND CONDITIONS

See Terms and Conditions of Service.

This Schedule is available to rural domestic customers engaged principally in agricultural pursuits where service is taken through one meter for residential purposes, as well as for the usual farm uses outside the home, but service under this Schedule shall not be extended to operations of a commercial nature or operations such as processing, preparing or distributing products not raised or produced on the farm, unless such operation is incidental to the usual residential and farm uses.

Normally, this Schedule is available for single-phase service only. However, at the Town's option, and subject to the Town's Terms and Conditions of Service relating to the extension of service, three-phase service may be provided to individual residences under this Schedule, when all service on such Schedule is taken through one meter and usage is for domestic or agricultural purposes. Where three-phase power service

is required and/or where motors or heating equipment are used for commercial or industrial purposes, the applicable power Schedule will apply to such power service.
